Dear Professor Pirogov:

Ref: Application of microemulsions for the extraction, pre-concentration of PAHs as a tool for fast screening of perspective oil chemical markers

Our reviewers have now considered your paper and have recommended publication in Journal of Liquid Chromatography & Related Technologies. We are pleased to accept your paper in its current form which will now be forwarded to the publisher for copy editing and typesetting.

You will receive proofs for checking, and instructions for transfer of copyright in due course; once the Taylor and Francis production department receives and performs an initial check on your article, they will send you a link to complete your online article publishing agreement. This is an essential step. Your completed agreement must be accepted by the publisher before we can publish any version of your paper.

The publisher also requests that proofs are checked through the publisher's tracking system and returned within 48 hours of receipt.

Thank you for your contribution to Journal of Liquid Chromatography & Related Technologies and we look forward to receiving further submissions from you.

Sincerely,  
Dr Grinberg  
Editor in Chief, Journal of Liquid Chromatography & Related Technologies
