

Virtual Winter School on Computational Chemistry 2023

CERTIFICATE

This is to certify that

Oleg Beletsan

Department of Chemistry, Moscow State University (Россия)

presented a Single Figure Presentation (SFP)

**Mode-specific vibrational autodetachment following
photoexcitation of biochromophore anions**

at the Virtual Winter School
on Computational Chemistry
held between 06 and 10 February 2023

In name of the organising committee,
Rebecca Ingle
